Nice.

Thanks. It is definitely possible that I have forgotten having received something from Jason, but, if I did, I saved the attachment somewhere that presumably makes sense then, but doesn't now (i.e., it's not anywhere that I'm looking) &, worst of all, deleted it from Outlook. ☹

Just to make sure: Mindy is Acting OWOW Director, not Wetlands Division?

## Ex. 6 - Personal Privacy

Oh, I forgot about the recent changes. Then yes, it would be from me to Mindy Eisenberg who is acting Director of the Wetland Program.

Jason is acting in the water office, not the manager right now, but I can go ahead and track that down. I thought he sent us a copy already. I will check.

Thanks
